Cleveland, Tenn. W. K. DETERS.

For over fifteen years I have suffered more or less from Impure Blood. About a year ago I had a boil appear on my leg below the knee, which was followed by three more on my neck. I saw S. S. S. advertised and decided to try it. After taking three bottles all Boils disappeared and I have not been troubled any since.

GEO. G. FERTIG, 114 W. Jefferson St., Louisville, Ky.

Newark, Ohio, May 23, 1903. From childhood I had been troubled with bad blood, skin eruptions and boils. I had boils ranging from five to twenty in number each season. The burning accompanying the eruption was terrible. S. S. S. seemed to be just the medicine needed in my case. It drove out all impurities and bad blood, giving me permanent relief from the skin eruption and boils. This has been ten years ago, and I have never had a return of the disease.

Mrs. J. D. ABERNETHY. Write for our book on blood and skin diseases. Medical advice or any special information about your case will cost you nothing.
